### JAPANESE SAKE

#### TANREI JUNMAI SAKE 180ML 13.5% ❄️🔥🏠 €9.0

Junmai sake is a kind of rich and dense sake with cereal notes and a more pronounced acidity. It is a sake made from fermented rice.

#### SHOCHIKUBAI SAKE 180ML 15% ❄️🏠🔥 €9.0

Shochikubai sake is soft, refreshing and elegant. Floral, earthy and grain notes. Long finish with a hint of sweetness.

#### DRAFT SAKE 300ML 14% ❄️

€16

Draft sake provides a refined freshness that is light and smooth. It reaches its cultivated state by being aged after a one month brew process. A sweet rice, almost creamy nose gives way to mixture of melon and coconut. Served chilled for a vibrant drinking sensation.

#### MIO SPARKLING SAKE 300ML 5% ❄️🏠 €16

This is a naturally sweet and fine sparkling sake with sweet and soft notes. The "Mio" is ideal for a gastronomic and fruity aperitif.

#### SAYURI NIGORI SAKE 300ML 12.5% ❄️🏠 €19

Sayuri means "little lily" in Japanese and the name is appropriate for this soft, floral noted nigor. Hints of white grape and elements of cherry blossom tie in seamlessly to create a lush, creamy sake with a deliciously smooth finish.
